DIGITAL
— WAY

Guide

« Digital Way – Voies du numérique dans la production »

Disponible sur les stands des exposants parallèlement au catalogue des produits et exposants, ce guide montre aux visiteurs les méthodes de production digitale disponibles.

Subdivisé en catégories :
Mise en réseau, Analyse, Service, Sécurité, Simulation,
Gestion des outils et Autres solutions numériques

Informations des exposants vérifiées par l'association
Software and Digitalisation du VDMA et par l'alliance
Industrie 4.0

Multimédia : aide-mémoire en ligne, application,
brochure sur place

Trend Lounge

Forum de conférences au foyer de l'ICS

Gratuit pour les visiteurs

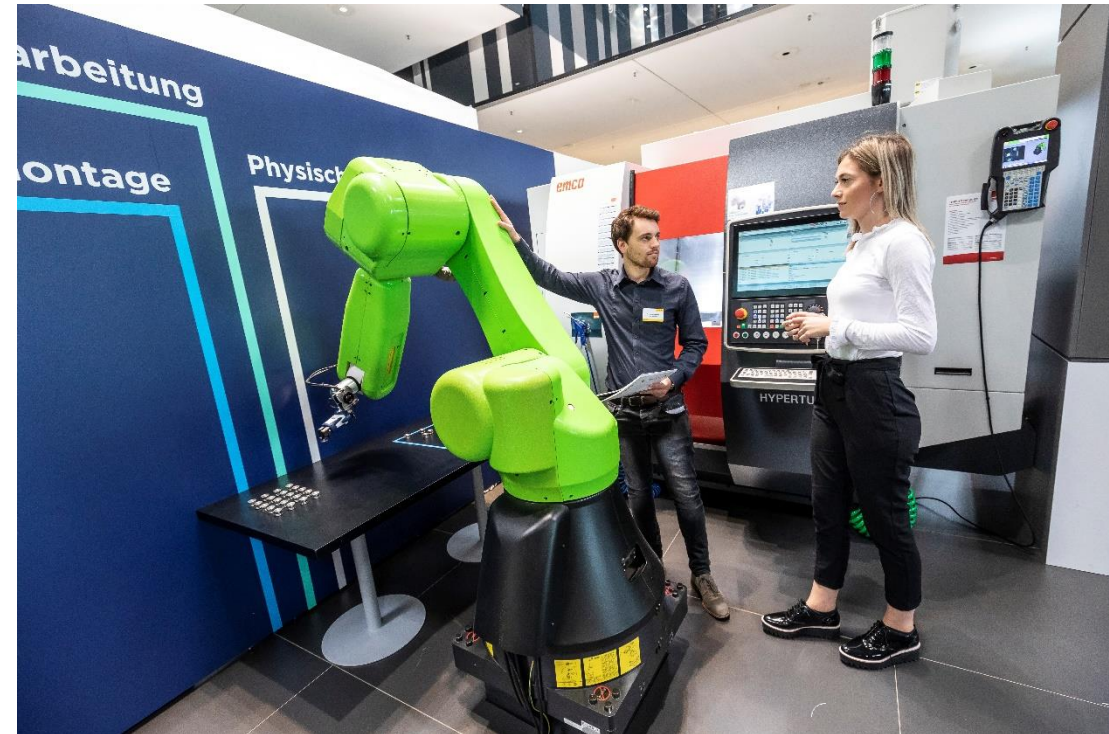

Développement des solutions/innovations
présentées dans le guide

Partenaires : VDMA Software and Digitalisation, Alliance
Industrie 4.0 Bade-Wurtemberg et Fraunhofer IPA

Smart Factory

Découvrir la production virtuelle et physique en temps réel !

Partenaires exécutifs :

AMB 2020 – Accompanying programme

(*Self) Guided Tours	Presentations	Competitions	Special shows
Digital Way*	Trend Lounge	MM Award	SmartFactory
Additive Solutions*	VDMA Forum	WorldSkills	Special Show for Young People
Energy efficiency	Regio Lounge	Art meets Technology	VDMA demonstrator
Lightweight construction		Lathe Operator of the Year	
Tool & mould making			
Career			

AMB 2020 – Programme d'accompagnement

... et ça ne s'arrête pas là

Arriver à AMB 2020

Accès optimal, en train comme en avion :

- Paris CDG – Stuttgart STR 01:15 heures
- Paris Est – Stuttgart HBF 03:08 heures

Aéroport – Parc des expositions à 3 min. à pieds
