Company _____

The more details you can provide on your stand setup and preferred placement, the more accurately we can plan the layout of the exhibition halls. We hope you understand, however, that we cannot always accommodate every request.

Stand placement:

- We were happy with our stand placement in 2022 and would like to reserve this again (if possible).
- We were happy with our stand placement in 2022 but would like to request a larger/smaller stand area (please delete as appropriate). _____ m x _____ m = _____ m²
- We were not happy with our stand placement in 2022 and would like an alternative suggestion (please enter comments and preferences below).
- We did not have a stand in 2022.

Placement preferences:

- We would like to be positioned in the proximity of the following companies:

- We would not like to be positioned in the proximity of:

- We are planning a joint stand with the following companies:

Stand setup:

- We have a fixed stand setup based on the dimensions stated in our registration form.
- Our stand setup is flexible.
- We intend to build a dual-level stand (see Item 4.3 and 4.9 of Technical Guidelines as well as Item 3.4 of Special Exhibiting Conditions).
- Stand construction company/contracted service provider:
