Hit the headlines!

Press package

The press service has become a solid parameter especially in case of trade branch fairs. Journalists from the national and international media use the information online and in the press boxes in the press centre on site as a basis for their reports. Become a PR specialist and take advantage of both channels to communicate your news!

• *Your press clip will be available online in the virtual press box of the online exhibitor directory for all trade branch media at all times.*

• *Your publications have a much longer effect. Reports about a trade branch fair begin approx. 3 months prior to the start and end 1 month after the end of the event.*

• *In addition, you will get a press box – labelled with your company name – where you can provide the attending media representatives with further information for the duration of the trade fair.*

We hereby order the press package (1 press release + 1 press box on site included)   **€ 160.–** (+VAT) each

We order ____ (enter number) additional press clip/s in the virtual press box   **€ 110.–** (+VAT) each
per further press clip

Contact person during the trade fair: _____   mobile number: _____

ⓘ Please send your press release/s by e-mail to: ordermanagement-stuttgart@fair.sutter.de
Size per press clip: 2,000 characters (incl. spaces) in German and/or a different language in a WORD file and 1 picture (750x750 px) as a JPG file. Formatting of your text cannot be considered. The press boxes in the press centre will be labelled in alphabetic order.
