

Messepark

Photo: Messe Stuttgart

The Messepark is the green heart of our exhibition grounds and connects all exhibition areas. With numerous seating arrangements, inviting refreshment stations and the idyllic terrace of the neighbouring "Restaurant am Park", it offers the ideal place for relaxed breaks and inspiring discussions.

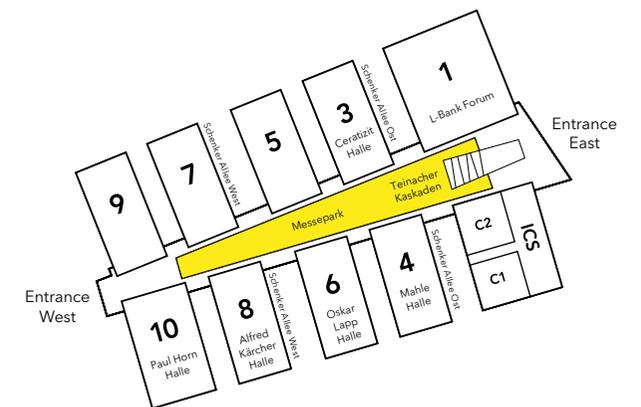

Thanks to its appealing atmosphere, the Messepark is also perfect for events with up to 300 guests - for a stylish supporting programme of a trade fair or a stand-alone event in a unique setting.
