

Standard halls 3 - 9

The sweeping roofs of its standard halls are what lends Messe Stuttgart its unmistakable image. Each hall provides 10,500 square metres of exhibition space, two loading areas, VIP parking, and four meeting rooms of 24 square metres each. In addition, they all feature natural light, but can be blacked out if required.

Standard halls 3 - 9

Dimensions	150 m x 70 m
Hall floor space	10.500 m ² brutto
