### Present your ideas for the future of energy!

hy-fcell 2023 is an indispensable meeting and exhibition place for the hydrogen and fuel cell community. Here, European and international developers meet top manufacturers from all over the world and experts from important institutes and research centres.

As an exhibitor, you should seize this opportunity: Present yourself and your company to the expert audience with a 10 minute talk on the exhibitor stage, the Speaker's Corner.

**Registration deadline: 8 Aug 2023.**

#### Your benefits:

- Full technical equipment
- Presenter on site
- Promotion of the Speaker's Corner on the hy-fcell homepage and in social media
- Separate billing
