**NEW at
INTERGASTRA:
Become a vending
champion!**

Focus on vending

Over 600,000 vending machines and a total turnover of €2.5 billion alone in Germany: the vending industry is booming. In 2024 INTERGASTRA will feature a new emphasis on vending, offering ideal opportunities for profitable contacts. Your target groups will be present: impress hotels, company caterers, restaurants and public institutions with your solutions.
