9 %

Comments on the fair

Klaus Lemke, Managing Director, TriWeFo GmbH

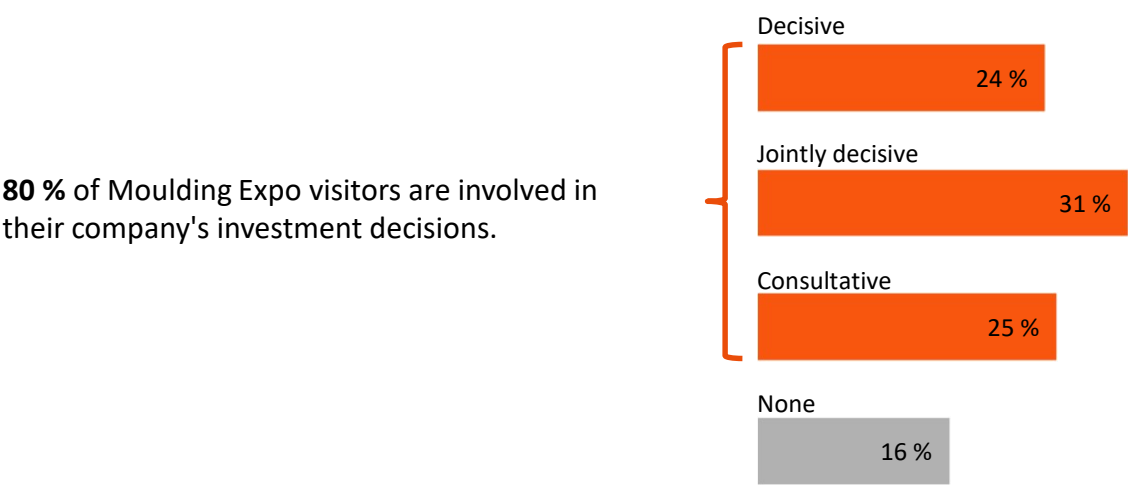

“The concept with the industry under one roof is coherent. All stakeholders were there: customers, suppliers, colleagues and associations. After four years, it became clear that there is no substitute for direct conversations.”

Comments on the fair

Christen J. Merkle, Managing Director | CEO, AHP Merkle GmbH

"For us, Moulding Expo is a leading trade fair in the field of tool, pattern and mould making. We were able to have good discussions at our booth and draw a positive conclusion."

Comments on the fair

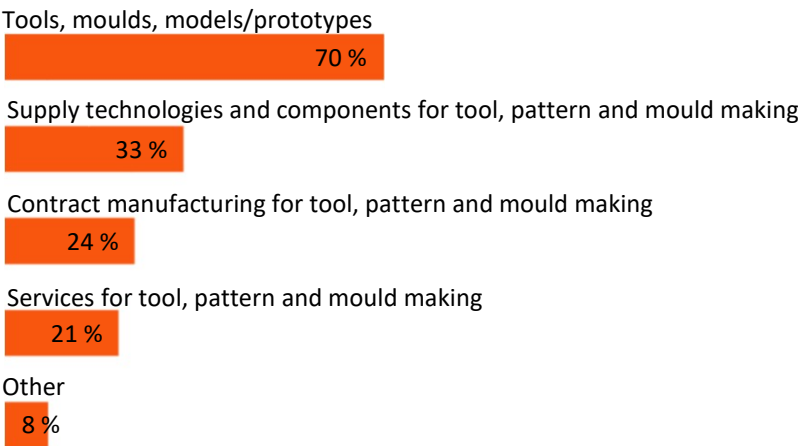

Stephan Berz, Vice President, Oerlikon HRSflow Sales

"The Moulding Expo enables us to establish fast and competent contact with existing and new customers in the German and now also European tool and mould making."

Visitor survey – Interest in the offer*

*Multiple answers possible

With 70 %, visitors are most interested in the section of "tools, moulds, models/prototypes".

The representative survey includes a sample of 585 respondents.

Comments on the fair

Joachim Seele, Head of Technical Sales & BDS, GF Machining Solutions

"The physical proximity of the tool, model and mould makers and suppliers resulted in a concentration of specialist contact persons. For us, it is clear that we will exhibit again in 2025."

Comments on the fair

Marco Reichle, Managing Director, Reichle Technologiezentrum GmbH

"As a regional trade fair, Moulding Expo is of great importance for us and our customers. We were able to exchange new impulses with business partners and interested parties from the mold and tool making industry."
