# PASSION

## Welcome to MOULDING EXPO 2019!

We are delighted to invite you to visit MOULDING EXPO 2019 and its parallel events!

Four trade fair halls and an extensive framework programme offer you the unique opportunity to gain a comprehensive overview of the tool, pattern and mould making sector and its suppliers. The good transport connections for the Stuttgart Trade Fair Centre and the parallel events will make your trade fair visit even more efficient.

**We look forward to seeing you!**

# PRECISION LANDING

## The market at a trade fair

MOULDING EXPO is opening its gates for the third time. At the heart of the strongest industrial region in Europe, the trade fair has developed to become an important economic platform for the tool, pattern and mould making sector and its suppliers. Get infected by the passion of the sector and find the right partner for your project.

In Stuttgart you will find:

### ■ Two halls with tool, pattern and mould making companies

Halls 5 & 7

- Tool construction and mould making
- Pattern making and prototyping
- Standard components
- Moulds
- Hot runner systems
- Materials
- Contract manufacturers and Service-providers

### ■ Two halls with supplier technologies

Jacques Lanners Hall (Hall 3) & Hall 9

- Machine tools
- Machining tools
- Clamping devices
- Software
- Measuring technology
- Further suppliers

Presentations, podium discussions and a variety of special shows round off the trade fair and provide inspiration.
