

Road of Tooling Innovation

13 - 16 June 2023 within the Moulding Expo framework

The Road of Tooling Innovation is a new theme park of Moulding Expo developed in cooperation with industry representatives. High-end tool construction and mouldmaking companies together with machine manufacturers present their innovations and customised solutions live.

Road of Tooling Innovation

Complete package

24,000.- €

Road of Tooling Innovation

Specification of the performance

Included in the package:

Graphic surfaces:

- Two explanatory surfaces with the logos of the participating companies, as well as the title of the project and a brief description.*
- One advertising space with an embedded monitor. The surface can be completely customized free of charge. If it is not customised, the space will be in the same colour as the carpet.
- An exhibit desk, which can also be fully customised. If it is not customised, the desk will be in the same colour as the carpet.

*) The details correspond to the Call for Paper on page 4.

Carpet:

The carpet colour can be individually chosen.

Furniture:

Seating area for communal use with one other project.

Further graphic surfaces can be added on request at a charge.

Please order the package via the registration form.
