 **BMP Torsysteme GmbH**

The online exhibitor directory provides visitors with the ideal opportunity to prepare for R+T.

The logo will be placed next to each entry, whether it is a company, product, contact partner or brand name. This logo is an immediate signal to the architects, engineers and planners that you will be presenting products that are relevant to architecture and of interest to them at R+T.

The logo will be displayed beside your catalogue entry. Visitors at the event will thus also be aware that you are on hand to discuss their architectural and integral planning requirements.

Furthermore, the catalogue is one of the most important tools for post trade fair business.
