

# Your global meeting place

World's leading trade fair for roller shutters, doors/gates and sun protection systems

**27 February - 3 March 2018**  
**Messe Stuttgart, Germany**

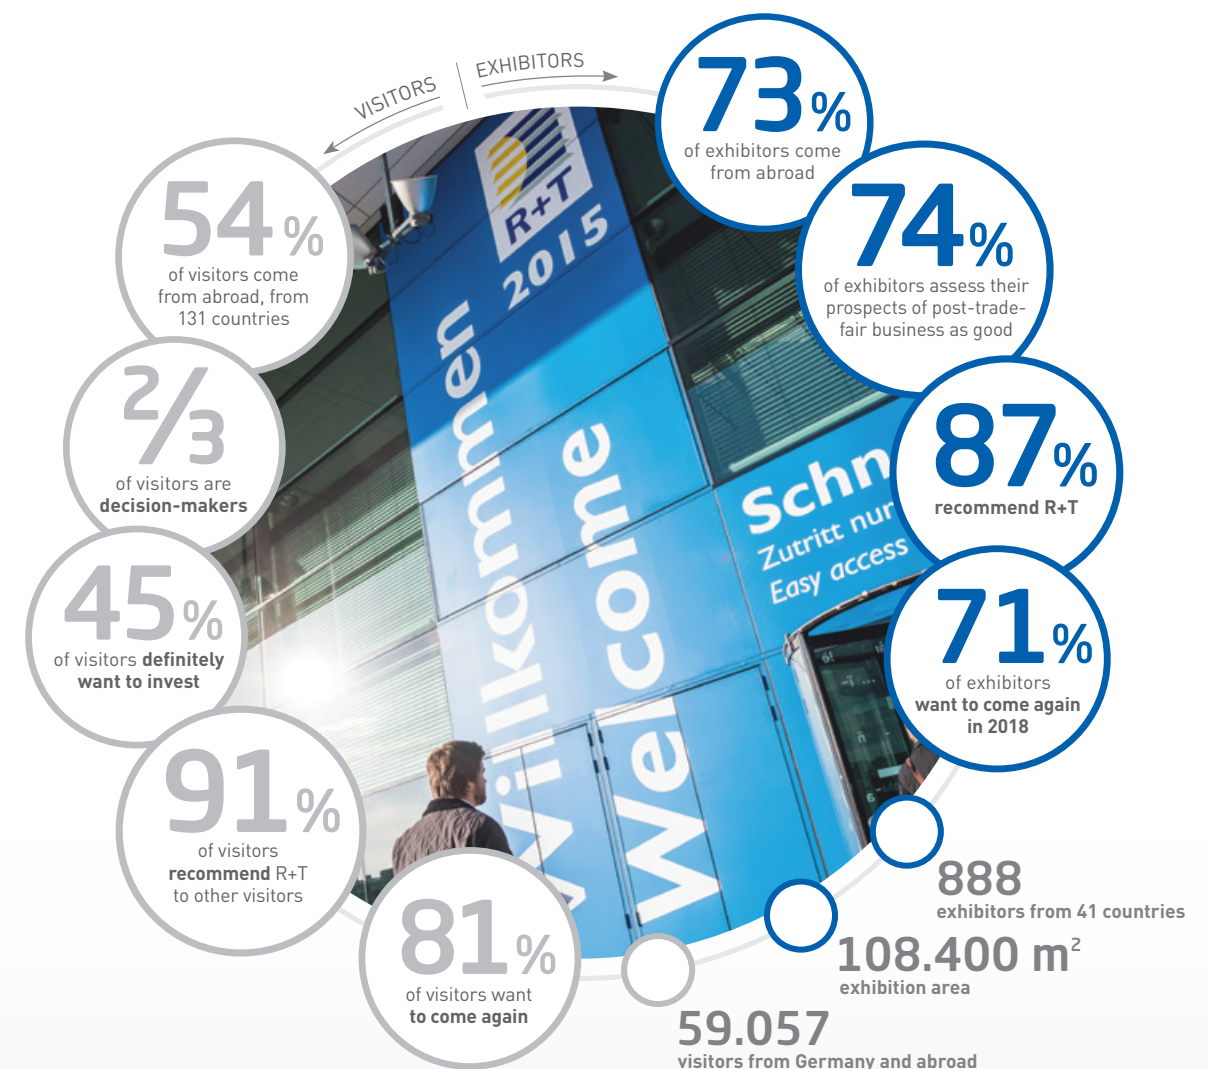

[www.rt-expo.com](http://www.rt-expo.com)

# Welcome to R+T in Stuttgart

For over 50 years, companies have been presenting their innovations and demonstrating their solutions for the central themes in the sector at R+T – the world's leading trade fair for roller shutters, doors/gates and sun protection systems. During the trade fair or at one of the numerous evening events: R+T provides the opportunity for exchanging ideas and opinions with colleagues and is the ideal platform for intensive specialist discussions. Several specialist forums and network events ensure that contacts are made and give participants new impetus for their daily work. As a leading world trade fair, R+T is at the same time a meeting point for the sector, a trend barometer and an innovation platform.

At the heart of one of Europe's most powerful economic regions, the trade fair sets international standards and provides optimum conditions for your successful participation. The way to the Stuttgart Trade Fair Centre is short and convenient, whether you travel by car, rail or aeroplane. The trade fair infrastructure is well thought out and transparent. Each hall can be conveniently accessed by a lorry and the spacious conditions allow rapid stand set-up and dismantling. **Take this opportunity and make 2018 your year!**

The FKM certification attests that, for the trade fair and exhibition figures submitted, the stipulations of the society for voluntary control of trade fair and exhibition statistics (FKM) have been observed and applied.

## Exhibition areas

Drive and control technology

Windows and window shutters

Insect protection

### Our visitor magnet - The framework programme:

International forums, workshops, special shows and specialist congresses are a fixed component of R+T. They provide visitors with information on trends and new challenges in the sector. Special events for architects and planners present current developments and pioneering projects. They offer best practice from prize-winning practitioners and combine the congress and trade fair to create an optimum information platform.

# The best time for you to register is now!

Invest in the future of your company and present yourself at Europe's most modern trade fair centre in 2018.

**Row stand**  
180.00 €/m<sup>2</sup>

**Corner stand**  
198.00 €/m<sup>2</sup>

**End stand**  
216.00 €/m<sup>2</sup>
