Key to Markets

Messe Stuttgart

# Create. Sustainable. Future. TogetherR+T.

NEW  
MON – FRI

World's leading trade fair for roller shutters, doors/gates and sun shading systems

19 – 23 February 2024  
Messe Stuttgart, Germany  
[www.rt-expo.com](http://www.rt-expo.com)

# More technology, more knowledge, more networking: **TogetheR+T.**

**R+T 2024** is developing irresistible innovative power. What is presented here in regard to roller shutters, doors/gates and sun shading systems will define the market. As a trade visitor at R+T, you can find out everything you need to know relating to the latest technology and trends. Around 1,000 exhibitors from 45 countries will present their product innovations on an area of 120,000 square metres. Nowhere else will you find such an incredible range of exhibits – or such a variety of innovations.

Several technical forums and networking events will ensure that contacts are forged and will give participants new impetus for their daily work. Make use of the accompanying programme and obtain information about innovations relating to the main theme of R+T 2024: **Create. Sustainable. Future. TogetheR+T.**

Experience the innovations in the industry and high-tech products up close – in Stuttgart from **19 to 23 February 2024**. We are looking forward to your visit!

Plan your visit to R+T now – all the important information at a glance:
