EXPO

COULISSE
since 1992

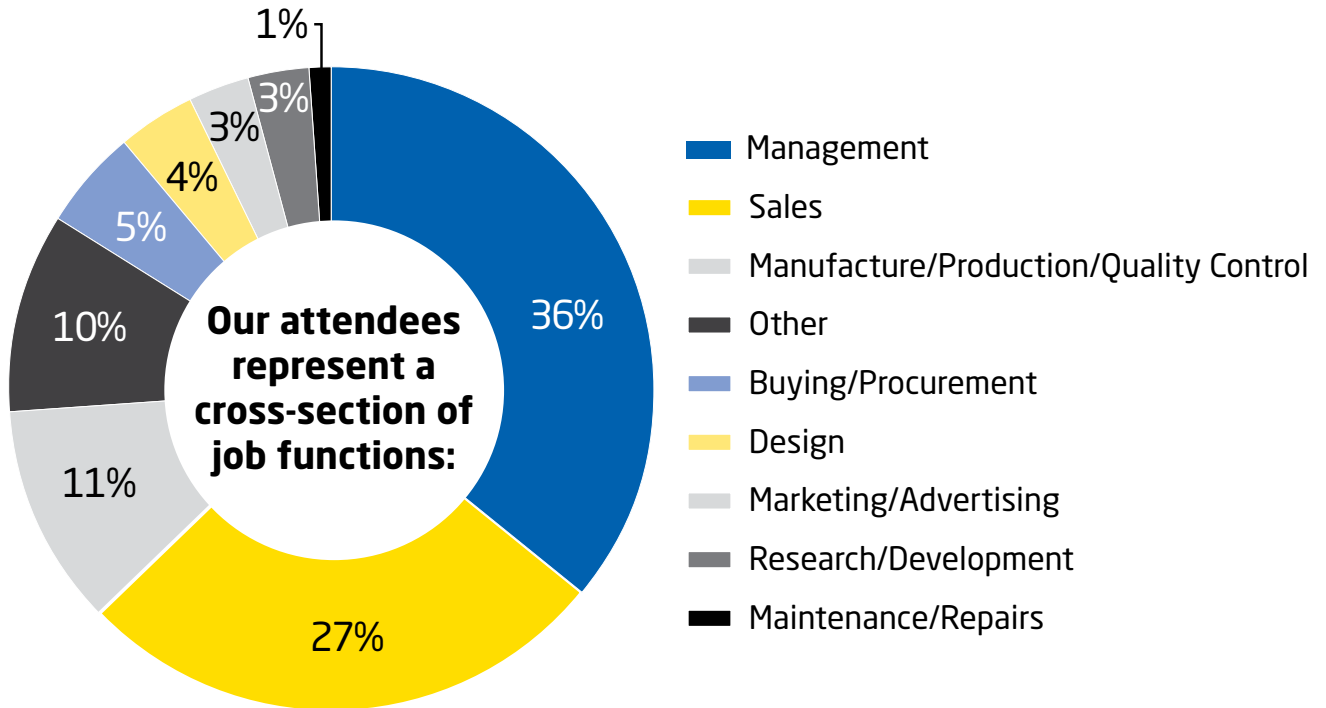

At Sun Shading Expo, co-located with Advanced Textiles Expo, you'll meet hundreds of buyers who are ready to do business. Attendance grew 55% in 2024 and the buzz is real! This is the sun shading industry event that pays you dividends all year long.

Eager buyers rely on you to showcase the latest exterior and interior sun shading products, preview the newest technology and innovation, and deliver the solutions they need. Be there to meet them!

sunshadingexpo.com

Sun Shading Expo attendees are decision-makers—and they are ready to meet you!

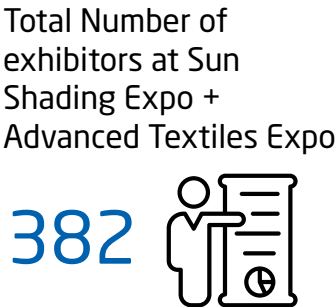

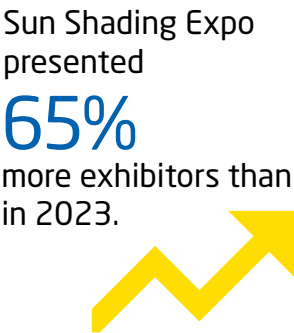

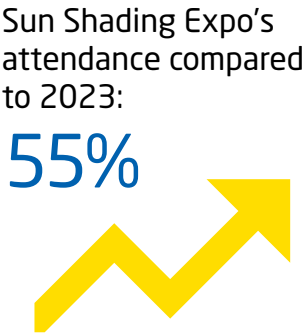

See what attendees love most about Sun Shading Expo:

- + The opportunity to meet face-to-face with others in the industry to exchange ideas, make new contacts, and refresh existing relationships.
- + Bringing everyone together to see what's happening in the sun shading industry and allowing for exposure to so many products in one place.
- + Diversity within the industry, and quantity of quality vendors, domestically and internationally.
- + Insightful conference program with various topics and business advice.
- + Co-located with the Advanced Textiles Expo allows you to view even more exhibitors within the industry.

Sun Shading Expo 2024 Snapshot

Sun Shading Expo continues to grow year after year! It's co-located with Advanced Textiles Expo (formerly known as IFAI Expo), the leading exhibition for specialty, advanced and industry textile solutions.

Both shows create a massive show floor with cutting-edge advancements in textiles, fabrics, interior and exterior sun shading technologies. Here's a snapshot of who you'll see.

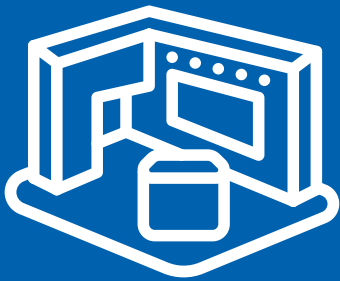

Top 4 visitor groups attending Sun Shading Expo:			
27%	25%	14%	14%
Retailer, Dealer, Direct-Sale store	Manufacturer of Finished and Semi-Finished Products, Fabricators	Interior Designer, Decorator, Window Coverings Consultant, Workroom	Wholesaler, Distributor

There's nothing quite like meeting face to face...

Sun Shading Expo is the place to connect with the sun shading and textiles industries. Outdoor living, pergolas, and awnings meet decorative fabrics and smart motorization—all under one roof. You'll walk away with new connections, fresh insights, and lucrative business deals.

At Sun Shading Expo, you can maximize your time and meet the right people to discuss business opportunities.

Exhibition areas

- + Interior Sun Shading Systems
- + Exterior Sun Shading Systems / Weather Protection Systems
- + Awnings
- + Shutters & Accessories
- + Technical Textiles for Interior and Exterior Sun Shading Systems
- + Drives
- + Control Systems

The Sun Shading Expo is an excellent opportunity to showcase our products and attract potential customers. It is also a good way to connect with our partners and continue to build a strong presence in the market. We are looking forward to joining the show next year!
