THE CARAVANING PARTNER REGION - A STAR

The caravaning partner region is the main player and centre of attraction for the entire camping scene at CMT. Classic camping lovers take their inspiration from the caravaning partner region as well as the ever-growing Van life community who becomes a new potential target group for you. Visitors and the entire press and media focus their attention on the partner region.

This means: a guaranteed high public attendance, maximum visitor interest and intensive reporting.

Arne Mellert,
Managing Director of the Baden-Württemberg Spa Association:

“Initially, we had to get used to being the CMT partner in the caravanning section, but we will never regret this decision. CMT provided the platform to reach an audience that we would otherwise not have found at all.”

Götz Rutenkolk,
Managing Director of VanTourer

“We are very, very, very satisfied with the quality and the number of the visitors. The Paul Horn Hall turned out to be an excellent platform for the Van topic because it was visited mostly by people who had an interest in it already. Especially the young and sportive visitors recognise and value the multi-purpose uses of vans. All in all, it was the most successful CMT we ever had!”

Karsten Gräning
Deputy Managing Director
of the Erzgebirge Tourism Association

"TC 2019 was a fantastic exhibition. We and our 17 co-exhibitors on the Erzgebirge stand were pleased with the high number of visitors and the excellent organisation by Messe Stuttgart. We represented the Erzgebirge region very well and celebrated gaining the title of UNESCO World Heritage region with many visitors on Friday on the Erzgebirge Day."
