Hanspeter Faas,
Managing Director
of the Federal Horticultural Show Heilbronn 2019

"Due to its unique status, the Federal Horticultural Show Heilbronn is the main horticultural event in Baden-Württemberg in 2019. And CMT is an ideal platform to recommend it as an attractive tourist destination, either for day trips or for a holiday in the region lasting several days. The exhibition is an excellent opportunity to hold discussions with potential visitors and arouse their interest - three months before the opening of the Federal Horticultural Show. That's fitting."

Tilo Krause-Dünow
Vice President Visit USA and Managing Director
of CANUSA Touristik GmbH

"The USA received a very positive response at the holiday exhibition in 2020. Every exhibitor reported a substantial increase in the number of inquiries compared with previous years. The quality of the discussions was impressive. The chosen format is encouraging for the future. We felt that interested parties came from every surrounding federal state specially to obtain information about the USA and be inspired by the country."

Karsten Gräning
Deputy Managing Director
of the Erzgebirge Tourism Association

"TC 2019 was a fantastic exhibition. We and our 17 co-exhibitors on the Erzgebirge stand were pleased with the high number of visitors and the excellent organisation by Messe Stuttgart. We represented the Erzgebirge region very well and celebrated gaining the title of UNESCO World Heritage region with many visitors on Friday on the Erzgebirge Day."
