The concept

Are you a system integrator and would not like to miss VISION 2021, the world's leading trade fair for machine vision? Then we have the right offer for you.

Present your products and services at the VISION Integration Area, which is arranged according to themes. There you can introduce your company, your competence and your know-how without any great effort regarding organisation and staff, and for an unbeatable package price. Your presentation during VISION couldn't be simpler and more favourable!

31 % of all visitors to VISION are, by their own account, looking for ready-for-use machine vision systems for inspection, robot guidance, quality assurance and identification.
